

Saurabh S Sutar

Date of Birth: January 21,1993

Email Id: saurabhsutar93@gmail.com

Contact No: 9967859632 / 9029339218

Address: 59/C-2, Shramik CHS, Gorai-1, Borivali (w), Mumbai-400091.

Career Objective:

To develop new ideas, reliable, cost effective solutions with latest technology for growth & development of organisation.

Education:

SSC	Swami Vivekanand International School, Maharashtra State Board	March 2008	69.84%
HSC (Science)	Swami Vivekanand International School & Jr College, Maharashtra State Board	Feb 2010	60.33%
B.E (Electronics)	Viva Institute of Technology, Mumbai University	May 2014	First class

Additional Qualification:

Computer Skills:

- Basics of computer
- Passed with 'o' grade in Certificate Course in Computer Technology conducted by Maharashtra Business Training Board (MBTB).

Course

Completed Post Graduate Diploma in Industrial Automation based on PLC, SCADA, HMI & DCS Systems from Prolific Training Centre.

Engineering projects:

Second year

- Automatic street light using IC555.
- Fire alarm circuit using LM35.

Third year

- Smart street lighting system using microcontroller.

Fourth year

- Barcode recognition and circuit detection using Matlab.

Trainings attended:

1. Attended industrial visit of GMRT (Giant Metrowave Radio Telescope) organized by IETE.
2. Introductory training of PLC/SCADA/HMI organized by SMEC Lab automation pvt ltd.
3. Trained with Gain Electronics in PCB soldering, assembling and manufacturing various devices for CONA electrical solution.

Work experience:

- Worked with **ACE Electronics Pvt Ltd** as **Production Engineer**
From 09/09/14 to 31/03/17.
Involved in **production, testing, maintenance and servicing** of SFC (Static Frequency Converter), UPS, DC Power Supply, Battery charger, Stabilizers and Inverters.
- Worked with **Infres Methodex pvt ltd** as a **Technical Representative (Service Engineer)**.
From 18/04/17 to 25/03/19.
Involved in on site **customer support by providing services, maintenance & installation of currency sorting and counting machines and photo copiers machines of Konica Minolta.**
- Worked with **Advance Power Display Systems Ltd** as **Production Engineer**.
From 03/04/19 to 17/06/19.
Involved in **production** of **SMPS**.
- Worked with **Renmakch India Pvt Ltd** as **Application Engineer** for **MEGGER**
From 05/08/19 to 05/06/20
Provides electrical test equipment's for **Railways & Metros**.

Personal qualities:

- Energetic & eager to learn new skills.
- Believe in hard work and use creative approach to solve the problems.
- I like to develop innovative ideas & implement it for better functioning of system.
- I have confidence to take new challenges with a positive attitude & keep myself motivated.
- I understand the importance of being interactive & enjoy communicating with people.
- Even though I take work seriously, I do have a good sense of humour.

Hobbies:

- Learning automation, working & manufacturing of electronic devices.
- Internet surfing, Listening to music, Cycling.
- Travelling, Adventure, Photography, Bike riding, Trekking.

Languages known:

Hindi, Marathi, English.
