1.0	842365465	None		Whatever the task in hand, from simple but crucial precision weighing, sampling and manufacturing determinations, it definitely pays to go for ALPHA Weighing Scales. The SRS310 Digital Scale is a perfect scale for weighing jewels or any kind of precious objects and it is Extremely Accurate. It has a high capacity of up to 500 gms and an accuracy up to 0.01 gms. It is small, compact and convenient to carry around and use on the go. The scale has a flip open protective cover to protect the weighing platform and a back lit LCD display to easily read the weight. Place the scale on a flat surface, press the ON button, wait for the scale to come to zero and start weighing.	250.0	250.0
