REMOTE CRANE SCALES - DIGITAL

Standard Capacities (Kg.)

1000, 2000, 3000, 5000, 10000

These Scales are compact and heavy duty, suitable for heavy industrial use. Since they also come with a remote display, they are extremely useful on lifts and cranes where direct readout is difficult.

FEATURES

- Heavy Duty Load Cells
- Suitable for harsh application
- Tare and Zero Functions
- Auto Tracking Zero
- Battery Back-up
- Auto Calibration facility
- Optional Wireless Display facility
- Bright LED display
- Sleep Mode for extended Battery Life

APPLICATION

- Cranes
- Construction
- Docks and Naval use
- Heavy Industries
- Steel Industries
- Manufacturing

Model No	Capacity	Accuracy	Size
CRH001	1000 kg	500g	Hook System
CRH002	2000 kg	1kg	Hook System
CRH003	3000 kg	1kg	Hook System
CRH004	5000 kg	1kg	Hook System
